

Weather for Pilots

April Madison from KGUN 9 TV will be the main presenter. An experienced and popular weather presenter on local TV, April will explain some of the unusual patterns that Arizona experiences. The focus is on pilots understanding weather and weather forecasts. A program that pilots will not want to miss.

Directions: Park outside of the fence. A gate will be open to walk in to the hangar and people will be there to give directions.

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
